PROJECT

Events & Weddings. Why Us?

Since opening in 2017,
South Beach has hosted every type of function.

Beach weddings, milestone birthdays,
anniversaries and engagements,
both stand up and sit down.
Along with corporate events,
South Beach Project is the ideal venue
because of our central Peninsula location,
our authentically relaxed beachside ambience,
our ease of parking and of-course
our deliciously flexible food and drinks choices.

The spectacular views across the bay,
all the way to Melbourne provide the perfect backdrop.

In winter, you can get cosy by our log fire and contemporary interior.
In spring or autumn, you can't beat the indoor/outdoor ambience -
insurance against the unpredictable Melbourne weather.
Come summer, you'll cherish the sea-breeze that floats through the
venue, enjoying that classic beachside ambience. Our location, venue and
staff welcomes you with 'opens arms' no matter the time of year.

To complement our venue and unique proposition we will bend over
backwards to assist in planning your event.

We offer a range of packages that have been designed specifically for
events, however we are also more than happy to create menus to suit your
individual requirements.
